As you are aware, for the past several budget cycles, RCC – Norco has been implementing and refining processes by which staffing and equipment needs identified in instructional, administrative and student services program reviews are prioritized by the Strategic Planning Committee based on agreed upon ranking criteria. The purpose of this survey is to determine the degree to which faculty and staff members consider these processes to be effective as a means of linking program review, planning and resource allocation, as well as the extent to which faculty and staff are participating in them. To assist us in conducting this analysis, please circle your responses to the following questions:

1) I am aware of the processes by which RCC – Norco ranks staffing and equipment needs identified in program review.
   a. Very much
   b. Somewhat
   c. Not at all

2) I participate in the processes by which RCC – Norco ranks staffing and equipment needs.
   a. Very much
   b. Somewhat
   c. Not at all

3) Administrators at Norco give consideration to the priority lists approved by the Strategic Planning Committee in making resource allocation decisions.
   a. Very Much
   b. Somewhat
   c. Not at all

4) Norco’s priorities ranking processes are a _________ means of ensuring that resource allocation decisions are based on documented needs identified in program reviews.
   a. Very effective
   b. Somewhat effective
   c. Not at all effective

5) The needs of my unit are _____________ addressed through Norco’s priorities ranking processes.
   a. Always
   b. Often
   c. Sometimes
   d. Rarely
   e. Never

Please provide any comments/suggestions on the reverse side. Thank you for your feedback.
