A. Mission Statement
   Committee reviewed the mission statement for the NSPC. The committee suggested taking out the middle section to make it shorter and more to the point.
   The sub-committee mission statement was proposed as follows:

   **OPTION 1:**
   The NSPC sub-committee of Student Learning Programs and Services strives to formulate, revise, recommend and implement campus educational programs and services to support the educational master plan.

   **OPTION 2:**
   The Norco Strategic Planning sub-committee of Student Learning Programs and Services provides all campus members with an opportunity to formulate recommendations pertaining to long-range campus planning and resource allocation.

Next Meeting Tuesday October 28th
